PATENT

U.S. Patent No. 5,504,117. The disclosures of each of which are incorporated by reference.

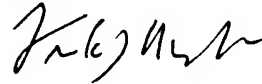

REMARKS

The amendment to the specification corrects the wording of the domestic priority claim. The previous recital incorrectly designated U.S. Application No. 08/970,447 as a CPA application when it was an RCE application and therefore redundantly claimed priority to the same application. The filing receipt correctly stated the priority claim.

Applicants have also submitted a Supplemental ADS correcting same.

The proposed amendments add no new matter.

Respectfully submitted,

Frank J. Mycroft
